### Road Safety

Safety around the roads is really important and it should be modelled by adults. If you are crossing Pinehaven Road during school hours, before and after school, please use the pedestrian crossing. If you are driving down Pinehaven Road when the road patrollers are out on duty, please slow down and stop for their signs.

### 2019 Fundraising

I would like to thank everyone who has helped with the fundraising activities this year. It has been our first year of using a different fundraising model and it has been really successful. With the transfer of Home & School funds at the beginning of the year, the Arts & Crafts, alternative lunches, quiz night, discos, bake sales, pie sales and movie night, we have raised just under \$21K. We have a bit left to fundraise to meet our target, through our calendar and egg orders, as well as the bake sale coming up on the 6th of December. The money has gone towards covering operational costs for the school for the year in terms of providing additional curriculum resources.

### Bake sale

We have a couple of parents who have offered to help run a bake sale here at school on 6 December. We need cupcakes, biscuits and cakes that can be sold to add treats to children's lunchboxes that day and we need children to bring money to purchase it. It will also be our school athletics day (if the weather is good), so parents might also want to buy a yummy treat. Obviously this will rely on enough people donating baking. Please let me know if you are able to bake, either by indicating that on

the Facebook Page, or by emailing me - [principal@pinehaven.school.nz](mailto:principal@pinehaven.school.nz)

### Whanau hui

Make sure you check out the invite later in the newsletter - rsvp to Paula or Sam.

Have a great weekend ahead!
