

## Te Awa - Menu of Learning for the Week

	Reading	Writing	Handwriting/ Spelling	Maths	PE	Topic
<b>Starter Can Do</b> 	Read a picture book to your favourite Teddy.	Would you rather go on holiday to somewhere hot or cold. Convince someone to visit your place.	Ask an adult to write out your address and phone number. Practice writing this neatly.	Roll two dice and write down the numbers, add them together. Can you figure out the answer in less than 5 seconds?	Go for a walk with an adult and count the numbers on the mail box. Make sure to stay local :)	Whanau waiata  Home-made drumkits <a href="https://sites.google.com/view/primarymusicforhomelearning/creating">https://sites.google.com/view/primarymusicforhomelearning/creating</a>
<b>Main Must Do</b> 	Read a book and write a review for a book. Why would recommend it to someone else? What age group does it suit.		Practice writing your name- first, middle and surname. Check with an adult that you have spelt all parts of your name correctly.	Find as many ways to make the number 16. Use addition, subtraction, multiplication and division operations.	Set up an obstacle course in your backyard. Try to time yourself, or race a sibling.	The Most Magnificent Thing <a href="https://www.youtubekids.com/watch?v=qy3JCNBgb94">https://www.youtubekids.com/watch?v=qy3JCNBgb94</a> 1)Click on the link to watch the video. 2)Choose something you can make by yourself with only a little help. 3)Now make something or teach us something you are passionate about. 4)Be creative with your presentation- dress up, video, record, take photos, write a book or draw diagrams,
<b>Dessert Can Do</b> 	Read along/ listen to <a href="#">Little Red Riding hood</a> . Design - a recipe for something to take to grandma or a trap to catch the wolf.	Write up a shopping list of all your favourite foods.  Share it with your family or take a picture and post it on Seesaw.	Practice writing the <i>wide open mouth</i> letters, e.g. a, c, d, g, q	Make a pattern with things you have at home - blocks, toys, lego.  Can you make it symmetrical?	Have a dance party and film one of your favourite dance moves.	Draw a design for a facemask you could use when you go to the supermarket.
<b>Don't Forget to Play!</b>	Have a scavenger hunt in your backyard, draw a picture, create a comic book, make an outfit for your favourite toy, make play dough or slime, make a fort and have a picnic inside.
