# Pinehaven School

Nurturing and developing our  
leaders of tomorrow.

Located in Forest road, Pinehaven School is often referred to as the heart of the community. It holds two syndicates and 10 classes. The history goes back to 1954.

Our school surroundings are conducive to learning. We have a great big green field with lots of nature. We allow students to climb trees but only to a certain height. Our school has a great big reserve with a great big bush that allows us to do cross country.

Also in our school there is a number of facilities that our students can use such as a hall, library and playgrounds. We have a huge field that we use for sport and a play area.
